Transmitted herewith are forms PTO/SB/08A and PTO/SB/08B listing documents provided with this Supplemental Information Disclosure Statement that may be relevant to the subject application. It is respectfully requested that these documents be considered by the Examiner and an initialed copy of this form be returned to the undersigned. It is believed that this disclosure complies with the requirements of 37 CFR §§ 1.56, 1.97 and 1.98 and the MPEP § 609. If for some reason the Examiner considers otherwise, it is respectfully requested that the undersigned be called so that any deficiencies can be remedied.

Submission of these documents is consistent with the broadest interpretation of the duty of disclosure. In accordance with the rule for patent prosecution, such a submission is not to be construed as an admission that the information cited in this Supplemental Information Disclosure Statement is, or is considered to be, material to patentability as defined in §1.56. The submission of these materials is consistent with the duty of disclosure and should not be interpreted as an indication that applicant has made a prior art search such that the Examiner should not undertake to conduct an independent prior art search.

Please note that Applicants also submit material that is listed in a Supplementary European Search Report dated October 21, 2004 for a co-pending PCT application PCT/IB02/05540. A copy of the Supplementary European Search Report is provided for the convenience of the Examiner.
